HOSPITALITY LAW

COVID-19 AFTERMATH: LEGAL ISSUES AFFECTING THE HOTEL INDUSTRY

WEBINAR
STREAMING LIVE IN MALAYSIA
8 OCT 2020 | 6.00 - 7.00 PM
(BST +7)

KEY HIGHLIGHTS

- Revisiting Contract Terms during the RMCO period.
- Health and Safety of Guests and Employees during the RMCO period.
- Employment Issues during the RMCO period.

The "Visit Malaysia 2020" campaign was supposed to attract 30 million tourists worldwide with a projected revenue of MYR 100 billion. Unfortunately, the Covid19 pandemic changed everything. The Movement Control Order and closure of borders has exacerbated the adverse situation and caused massive challenges for the Malaysian hospitality industry. New regulations on social distancing and other issues were introduced and coping with the new norm has made a significant impact on the legal aspects of managing Hotels and Resorts.

This webinar will address the numerous legal issues hoteliers face as they operate during the Recovery Movement Control Order Phase.
